Minor imperfections in hard to see areas may - depending upon the severity - pass Morgan's high standards of quality control. If you chose a matte paint finish for your Morgan, please also be aware that in the case of bodywork repairs during the life of the vehicle, it can be difficult to achieve a perfect colour match to existing panels. There are also specific care instructions for cleaning and maintaining vehicles with matte paint finishes, your Morgan dealer will be able to advise you further on care of your Morgan vehicle.
